Uma Nagalla

Data Analyst @ Centum Foundation | Certified in Build Your Own Static Website, Spring Boot, and Java Fundamentals
Hyderabad, Telangana, India

Summary

I am a Data Analyst with a passion for transforming data into actionable insights and innovative solutions. I have experience in collecting, cleaning, and preprocessing data from various sources, applying statistical techniques and machine learning algorithms to analyze data and extract valuable insights, creating visually compelling dashboards and reports using tools like Tableau, Power BI, and matplotlib, and building predictive models to forecast trends, identify risks, and optimize business processes. I have worked as a Data Analyst at Centum Foundation, a non-profit organization that aims to empower communities and create social impact through education, skill development, and livelihood programs.

In addition to my data analytics skills, I am also a proficient Full-stack Developer with a comprehensive understanding of both frontend and backend technologies. I have created responsive and intuitive user interfaces using HTML, CSS, JavaScript, and React.js, built scalable backend systems using Python, Java, and Spring Boot, and managed databases using SQL Server. I have completed an intensive Full-stack Development training program from NxtWave, a leading online learning platform that provides industry-relevant courses and certifications. I have also earned certifications in Java Fundamentals, Spring Boot, in addition with I also learned the Git,AWS and also learned Build Your Own Static Website from NxtWave. I graduated with a B.Tech in Electronics and Communication Engineering from Malla Reddy Institute of Technology and Science, where I learned the fundamentals of engineering, programming, and communication. I am always eager to explore new technological horizons and learn new skills.

Experience

Centum Foundation

4 months

Data Analyst

November 2023 - February 2024 (4 months)

Data Analyst

November 2023 - February 2024 (4 months)

Education

NxtWave

Fellow at NxtWave's CCBP 4.0 Intensive , Learning Full Stack Development

· (April 2023 - December 2023)

Malla Reddy institute of technology and science

Bachelor of Technology - BTech, Electronic and communication engineering

· (July 2019 - August 2023)

NxtWave

Fellow at NxtWave's CCBP 4.0 Intensive, Learning Full Stack Development

· (April 2023 - April 2023)

Mallareddy institute of technology and sciences

Bachelor of Technology - BTech, Ece · (2020 - 2023)
